You effectively identify the main topics of the day, explain terms such as agenda setting and framing, and address ethical concerns.

The content analysis is a bit generalized. You seem to provide assorted headlines about random topics, rather than focusing on how different sites address the same story/topic. You also want to provide some quotes from articles in addition to the headlines.

You also needed to provide a chart/notes showing your findings from that given day.

Let me know if you have any questions,
